PARENT TYPES - natural parent types (#0 thru 6 emotional) tend to be heavy parents. They can be over-protective. They want to be obeyed without being questioned. They might have a clipped way of talking as if they are giving out orders. They are the ones most likely to be against abortion

BETTE DAVIS born 4-5-08

Confidence	20 (74%)	{	Personal Biorhythm Numbers
Emotional	2 (86%)		
Mental	7 (58%)		

Actress Bette Davis has a lot of confidence (74%). She is a natural parent type (#2 emotional). She needs

to be heard (58% mental). This combination would make her extremely bossy. It is no wonder her daughter wrote her "Bette Dearest" type book about her. Bette comes on so strong a lot of people could not stand being around her. A daughter is forced to. Family would be very important to Bette & this book would hurt her very much. She would have felt she was being a good parent but it could have been too heavy for her children.

ROBERT BLAKE born 9-18-33

confidence	15 (30%)	{	Personal Biorhythm Numbers
Emotional	1 (93%)		
Mental	16 (3%)		

Actor Robert Blake is also a natural parent type (#1 emotional). His children call him the "buzzard" because he hovers over them so. He is sure he is right ALL the time (3% mental. The mental percentage is not the intelligence). This would mean the children would feel they are wrong when they are not doing what he wants. He said he is trying to give his children more space but

that is difficult for a parent type. He would come on stronger if he had more confidence.

PAUL HARVEY born 9-4-18

Confidence	11 (4%)	{	Personal Biorhythm Numbers
Emotional	6 (57%)		
Mental	31 (88%)		

News analyst, columnist & author (The Rest of the Story) Paul Harvey is also a natural parent type (#6 emotional). On his news programs he always has things about the family, about couples who have been married many years. Natural parent types are likely to try to hold a family together even if they are

not happy. Paul needs to be in control (88% mental) but he lacks confidence (4%) so would be likely to bully to get his way if the family does not mind him. He has been asked where he got his "clipped" way of speaking. That is natural for a parent type.

You can order your own character analysis. These are mini ones. See order form on this page.

RAPE, SUICIDE, ALCOHOL, DRUG COMBINATIONS Students of biorhythm, here are some personality combinations. It is important to remember that the upbringing & the outside contacts can make a difference. Not every case would have these combinations. For example, not every male with the rapist combination will go out & rape. At home he could force sex at times, with his wife, to prove he is a real man & to gain control over her. He is a natural bully.

PERSONAL BIORHYTHM NUMBERS

	Confidence/ Physical %	Emotional %	Mental %
RAPIST COMBINATION			
Male	low		high
SUICIDE COMBINATION	high		low

Suicide Combination has the confidence to do it. It is a martyr (low mental) who has death thoughts all their lives. Remember, not all suicides have this combination but if you have someone in your family who has this combination & they are depressed, they need help but it has to be someone who is emotionally & mentally compatible. If the "helper" is not emotionally compatible, there would be a natural distrust & they can not help. The depressed one would not want to talk to someone they distrust even if that person is good and honest. The depressed one does not feel it.

ALCOHOLIC-DRUG COMBINATION

Drug	high	low
Alcohol	low	low

Anyone can take drugs & become an alcoholic but these combinations are the most dangerous ones. The Drug combination is not afraid to get involved with any kind of self-destructive things and relationships. They can rush in where angels fear to tread. The Alcohol Combination lacks confidence & would be more likely to get involved with more acceptable forms of self-destruction. They would be more afraid of the more dangerous things. Notice the Drug Combination is also the same as the Suicide Combination.

ent of biorhythm. It is very

thing.

TRAUMA CENTERS

Because of doctors ego & his/
her greed, a lot of people who
need to go to trauma centers
are sent to the doctors hospit-
al instead. That could cost the
patient his/her life.

A paramedic said the most ser-
iously ill & the least ill go
to the doctors hospital & the
medium ones go to the trauma
center. The most seriously ill
need the trauma center. The
doctor does not want to lose
the money & they are naturally
jealous of trauma centers.

My research shows doctors
tend to be in the natural child
range (#14-20 emotional). The
lower the biorhythm number the
more s/he is likely to care
about self. Doctors have to be
self-orientated or they could
not operate on people. If they
cared too much they would suff-
er too much. The child type
puts self first, material things
second.

It is important that you get
at least 2 opinions before
having an operation. Some in-
surance companies are demanding
that you do. If doctors were
as above board as people would
like to believe, the insurance

companies would not have to demand this.

TIDBITS - The Frustaci septuplets were born 5-22-
85. Physical 1 (91%), Emotional 27 (93%), Mental
18 (9%). These are their personal biorhythm num-
bers. They were born 3 months premature. Mama
Patti gained more than 70 pounds. She is 5'2" &
normally weighs 115#. She spent the last 2 months
in the hospital. Patti took a fertility drug.

5 of the children are still hanging on. They
have a high physical & a lot of confidence (91%).
They are extremely stubborn (9% mental) & are
sure they are right all the time. Imagine having
a lot of children with this combination.

Cartoonist Walt Disney (born 12-5-09) made
movies for children, made Disneyland for child-
ren of all ages because he was a natural child
type himself. He could also con people into doing
what he wanted. That made him an excellent sales
man.

Coleen McCollough (born 6-1-37). She is the author of the book Thorn-birds. She has a high physical (74%). That means she would be likely to indulge herself & she has with food. She says she is frugal but she has a BMW car so she really is not. Being frugal is not natural for her. They were very poor when she was a child. She is a pleaser type (#21 emotional). She smiles easily. She is excellent with details (3% mental). She is a loner type & lives on a small island 1100 miles from Australia.

SUPPRESSED WOMEN

A man who has a high mental percentage (this is not his intelligence) is a natural male chauvinist. The ones who have a lot of confidence are not afraid of women or the women's movement. The ones who lack confidence would blame women (mother, female teachers, etc.) in his childhood for making him feel insecure. It is not their fault. He naturally feels this way. This man does not usually realize this so he will do what he can to keep women from reaching her potential in the business world.

This type of man would need power & is likely to become an executive & could therefore keep women from becoming executives. He is also the type who would sexually harass women, on the job & off. His lack of confidence would make him pick on females who are much younger & who lack confidence. He does not have the courage to deal with confident women so he tries to keep them out of executive positions.

This man is also a natural bully & would "roar" to frighten people.

This combination is a typical. If you do not want to receive this newsletter, write REFUSED on it and return it to your mail person. Your name will be taken off the list.

politician type. This is one of the reasons the government is doing little to help abolish female slavery in this country.

You can see what anyone is like underneath. Order your own Learn Biorhythm Character Analysis. See order form on page 3.

IKE AND TINA TURNER

Ike & Tina Turner used to be a musical team & were married 16 years.

		Personal Biorhythm Numbers		
		Physical	Emotional	Mental
Ike Turner	11-5-31	8 (30%)	12 (14%)	6 (64%)
Tina Turner	11-26-39	9 (22%)	9 (36%)	0 (100%)
Compatibility		1 (91%)	3 (79%)	6 (64%)

These two are very compatible (overall 78%). This is higher than the average. Why would a marriage that is so compatible go so wrong? What boys are taught ruined this marriage.

Tina needs to be in control (100% mental). Ike needs to be heard (64%). Both of them would bully when they felt they were losing control of a situation. Boys are taught they have to be in control. He could not do that with talk because Tina had not been taught men have to have control over women, he would have been content to let Tina do it.

Ike's lack of confidence (30%) would have made him overreact & do macho things to gain control over Tina. I am sure his male friends taunted him with "Why do you let her get away with that." He wanted to prove he was a real man & didn't know how to do it. Beating on a woman is the opposite of being a real man.

Ike would be suffering greatly now that they are divorced. There was a strong physical attraction (91%). They loved one another very much (79%). They could hear what the other was saying (64% mentally compatible). Ike was taught he could not let a woman control him so he destroyed this relationship. We have to do what is natural for us & not blindly follow some rules set up by society. Some women need to control & some men need to control.

People rallied around Tina. Now she is more popular with the public than she was before. The public does not like wife beaters. This is a case of Ike killing his golden goose.

This is a mini compatibility. Order your own indepth one. See order form on page 3.

Do you have a LAWYER who is not responding to you? If you live in Illinois there is an Attorney Registration & Disciplinary Commission to investigate & prosecute all complaints of unprofessional conduct. Your state might have the equivalent.

20% of rapes are done to males but they don't report it. They are taught they have to be able to protect themselves. Many teen male suicides are rape victims. Women rape hot lines are starting to accept males.

Never marry someone who does not laugh at your jokes.
